THANK YOU FOR YOUR INTEREST IN OUR 2025 AMBASSADOR PROGRAM!

Congratulations! You've successfully advanced to the first stage of our application process. Please take a moment to review the following details to ensure you're prepared for the commitment.

Disclaimer: *You Must Be 18 Years or Older to Apply*

Step 1: Review Program Details

Thoroughly read the Program Agreement AND Requirements on the next page. Make sure you're able to fully commit to the program before proceeding to step two.

Step 2: Submit Your Reel

Once you've reviewed the guidelines and are confident you can meet the expectations, please submit one reel to **Haley@zoomtan.com**.

Video Content:

Your reel should showcase your personality and demonstrate your ability to create high-quality content relevant to the fitness, health, and wellness industry. Examples include workout routines, "come with me to..." videos, fitness challenges, or other content that reflects the qualities we're looking for in ambassadors.

If you don't have an appropriate video, showcase a fitness product you currently use by creating a video explaining its features and why your followers should try it. This could be anything from your favorite gear, supplements, or wellness tools that help with your fitness journey.

The video can be one you've already made or something new created specifically for this submission.

Next Steps:

After reviewing your video, if you're selected for Round 2, you'll be notified via email.

Important: Make sure your email address is accessible for communication
